

Why ClickPay

ClickPay is the only complete accounts receivable platform designed exclusively for the HOA industry. Through a breadth of client-centric solutions, ClickPay helps Association Managers in the three most challenging receivables areas: collections, cash flow, & reconciliation.

Complete Collections Dashboard

Access a singular view for 100% of payments with real-time transaction data.

Accelerate Cash Flow

Receive cash quicker with ClickPay's proprietary capabilities that enable next day funding – even from payments originated from homeowners' online banking portals.

Consolidate Lockboxes

Eliminate time-intensive and manual tasks managing multiple lockboxes. ClickPay consolidates all paper payments and servicing so you can grow profitably.

Simplify Bank Reconciliation

Seamless connections between association management systems and banks allow for account information and balances to always remain synchronized.

We play nice with others!

Whether embedding secure payment solutions into your software or leveraging ClickPay's technology for customized solutions, ClickPay's APIs enhance the payment experience.
